

A Founder | A Leader | A Voice For The Voiceless

Angela Minter is truly a voice for the voiceless and a servant leader. She loves the Lord her God, with all her heart, soul, and body. She declares the most important choice she has ever made is receiving JESUS as her personal savior and allowing him to be Lord of her life.

Angela is the President and Co-Founder of Sisters For Life (SFL), a Christian 501c3 nonprofit organization. Sisters For Life is assigned by God to take a holistic approach. We advocate for the pre-born babies, their moms, dads, and families faced with an unplanned pregnancy. The ministry also advocates for God's family values. Angela says, *"God has a good plan and purpose for every life and family. We are determined to assist them in fulfilling that plan and purpose."*

SFL's mission is to awaken, train and mobilize, the whole church, particularly the historically black church, to end abortion in the community. To see families restored, change teenagers' and young adults' trajectory, share the gospel of Jesus Christ, and achieve a Kingdom first, Christ-centered culture change that glorifies God!!!

Angela Minter

SFL grew out of Angela's personal experience with abortion. The Lord called her to this great work in 2004 by opening her eyes about the two babies she aborted while a teenager. She speaks with candor about the devastating consequences the abortions had on her spirit, soul, body, and family.

Two weeks after her eyes were opened, she began hosting a weekly Christian radio broadcast. She felt a freedom she had never experienced. Angela started to surrender the secret about her abortions publicly and educate the community about the detriment of abortion and its devastating effect on the black community in particular.

Angela has appeared on every news channel and the front page of her hometown's leading daily newspaper after holding a press conference and accused Planned Parenthood (PPH) of targeting blacks and minorities exposing their genocidal practices.

In 2006, the Lord spoke to Angela's heart and revealed that he had not just called her to do a weekly radio program, but he called her to do SFL full time. Out of obedience to God's assignment, Angela resigned from Commonwealth and Providian, ending a 20-year career as a licensed sales representative. She left having enjoyed success as the first black woman named Sales Representative of the year and achieving the highest level award, the Pinnacle Club award, and the Red Jacket Award. Angela loved her company, and her colleagues were like family.

However, she quickly understood that God had a higher calling for her.

God's call opened many doors for Angela. However, the first and most important new door was to do sidewalk counseling at the abortion facility in her state. As a result of her obedience, SFL rescued over 870 babies, moms, dads, and families from abortion's detriment. Many of which have joined her co-ed mentoring program.

A Speaker | An Advocate | A Thought Leader

In demand as a speaker, Angela now travels across the country, sharing her story, work, and passion on college campuses, political functions, churches, banquets, galas, and other notable groups. She is also on the ministry team at More Grace Ministries, her church, for over 25 years. She is also the Founder of God's Got More Ministries.

She was recently appointed a Kentucky Colonel by Governor Matt Bevin. She was also selected to be an Honorable Member of Governor Bevin's Post Secondary Education Nominating Committee. Additionally, Angela has received the educational award from Kentucky Right To Life. She has enjoyed additional honors for which she gives God all the glory, praise, and honor.

A Christian | A Wife | A Mother

Angela attended college at Kentucky State University, where she majored in political science. For many years she dreamed of following in her dad's footsteps and becoming an attorney and politician. However, after a third abortion attempt, her life took a different turn.

Everywhere she goes, Angela tells how the Lord blessed her with her amazing husband and best friend, Parnell. High school sweethearts, they have enjoyed 35 years of marriage. After losing two children through abortion (Summers Justice and Judah Star), God showed them mercy and blessed them with three more outstanding children, Ryan Whitney, Parnell O'brey, and Isiah Jasper Minter. Angela and Parnell live with gratitude for the five beautiful grandchildren and a precious daughter in love and son in love they have.

Angela Minter is an inspired, driven, and compassionate voice for the voiceless and is moved to speak and act by the Word of God which says in Proverbs 31: 8&9,

⁸ Speak up for those who cannot speak for themselves; ensure justice for those being crushed. ⁹ Yes, speak up for the poor and helpless, and see that they get justice.

New Living Translation (NLT)

Although Angela has suffered much heartache and pain along her journey, she says like Nehemiah,

“I’m doing a great work, and I can’t come down,”

Her constant encouragement is found in the famous words of Rev. Dr. Martin Luther King, Jr.,

“Injustice anywhere, is a threat to justice everywhere!!!”
